Pennies by the Pound Montana City Trails Fundraiser

Congratulations and WOW to all the classes who raised money for the trails. The total amount raised was \$1,487.69!

Mr. Liedle's 8th grade raised the most cash with **\$188.70**. The class with the most weight was Miss Snell's kindergarten.

Montana City Trails and Trust is very grateful to all of you. The two winning classrooms have earned an all they can eat pizza party with healthy drinks!

The final design for Phase II is still under review with the Federal Highway Department and regrettably we are almost done with the asphalt season for the year due to winter's arrival, but we anticipate getting the Phase II trail from Prickly Pear Drive up McClellan Creek Road to Bitterroot Mountain Road constructed and paved in the spring and before you are out of school this year. We'll be using the funds you raised as part of the local grant match for the one mile of eight foot wide asphalt trail. Thanks again for all your help and support.

Please remember that we are not collecting plastic bags this year. WalMart is not sponsoring this recycling effort.

PTA Monster Mash Saturday, October 24 4 to 7 p.m. Montana City School Gym

Wow! The Monster Mash will have twice as many booths this year as last year. There are a few new booths to check out—how exciting! Parents, please check with your teacher or room parent to help with the class booth. It's fun and a great way to show your support. Kids, remember your trick or treat bags to hold your loot. Parents, remember your checkbooks for the silent auction. It's sure to be a hauntingly good time.

Creep over to the concession stand during the Monster Mash for a Monster Value Meal. For only \$2, boys and ghouls can be goblin up one of the following:

- #1 Mummy Wrap (hot dog)

It was a close race for the class holding the highest percentage of PTA members. The winner of the classroom party is Mrs. Flathers' class. Congratulations! You can check out all the class percentages on the PTA bulletin board by the main office.

If you missed the class competition, there is still time to get your membership application in. We look forward to having you join the PTA team. Memberships are \$10 per adult and \$18 per immediate family. With your membership, you will receive a free school directory.
